**YOU CAN MAKE A
DIFFERENCE IN
SOMEONE'S LIFE TODAY!!!**

You can bring hope and a smile to those who have huge problems in their lives each day, just by serving them a good meal and having a cheerful attitude.

You can show others how to improve their lives, just by being an example, each day.

You can give hope and encouragement on a daily basis, here at Agape' just by being a servant to others less fortunate.

You can go home and know in your heart, that you have been an example to others, and in return been blessed!!
