Happy New Year to all!!!

Agapé Mission was so busy in 2007 and we have started out 2008 in the same manner.

As we look over 2007 we see that in our on-site program, we fed over 24,000 meals, we gave over 8,600 sacks in 2007 in our Food 4 Kids Program and served over 8,600 Kid's Kafé meals and snacks to The Boy's and Girl's Club and Westside Community Center. This makes for a total of all programs over 41,600 meals and snacks that have been provided by Agapé' to others.

Agapé could not do this if it was not for people like you, giving of their time and money to make this happen every single day.

We ask for your prayers in 2008 in all we do. Without your prayers, we would not have the energy, desire or resources to accomplish this huge task each and every

month of the year. We feel your prayers every single day, and we want to thank you!

We so appreciate everyone who gave their time in volunteering in one of our programs during 2007. We depend on our volunteers to help us prepare the on-site meal everyday, cut desserts, wipe off tables, do dishes, mark food items for give-away, pack sacks for children over the weekends during the school year, drive the mission van to deliver and pick up food and the list goes on and on.

Thank you, for giving to the Lord this year. As you can see by

the number of meals and snacks served we have been busy, but God has always been faithful, but we realize that He uses people just like **you**, to make a difference in our community. Thank you for helping us in 2007 and we pray you will continue to help us in 2008!!

HAVE A GREAT 2008!!!

Greetings and Happy New Year!!!

2007 will always be remembered as the year of hardships. We survived the major snow and ice storm, the flood and the drought all in 2007, but what I will remember most, is how God supplied all of our needs!!

Anyone who has ever volunteered or worked at a non-profit agency, knows that you operate on a shoestring budget, and sometimes when there is more people to serve than money, things get rough. Agape' is no exception. We operate on a shoestring budget, always trying to be a good steward of God's money in everything we do, but even doing all this, money is tight. Just like your own personal budget is upset when the price of goods and services go up, so the mission's budget is affected with inflation. But God is so faithful to come through, each and every year, just when it seems that money is going to run out, God supplies our needs.

In the latter part of 2007, it looked like things were not going to get paid, but God sent us people and finances that kept us going until the year end giving began to come in. If you are lacking faith, just come around Agape' for awhile and God will show you that HE is alive and well today!! There is one thing, I try to do though, is I never speak doubt. I never complain I just keep saying " God will provide" and He does. It may not be in my timeframe, but it's always "on time".

Thank you for allowing God to use you this past year, and we know He will use you even more in 2008!!
